

# FROBISHER SAYS!

PlayStation®Vita system

English

## **WARNING: PHOTSENSITIVITY / EPILEPSY / SEIZURES**

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your doctor before playing.

**IMMEDIATELY DISCONTINUE** use and consult your doctor before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness • eye or muscle twitches • disorientation • any involuntary movement
- altered vision • loss of awareness • seizures or convulsion.

**RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR DOCTOR.**

## Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far a way as possible from the screen.
- Avoid prolonged use of the PS Vita system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

## FCC AND IC NOTICE - PART 1

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received,  
including interference that may cause undesired operation

• This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

## FCC AND IC NOTICE - PART 2

- However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

**You are cautioned that any changes or modifications not expressly approved in this manual could void your authority to operate this equipment.**

**This Class B digital apparatus complies with Canadian ICES-003.**

**Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.**

**FROBISHER SAYS!**

**STOP READING THIS AND START PLAYING NOW!**

**FROBISHER SAYS!**

**AT ONCE!**

**FROBISHER SAYS!**

**THAT MEANS NOW!**

**FROBISHER SAYS!**

**STILL HERE?**

Humph, fine. Then I'll tell you just a little bit about how to play. Listen carefully.

All you need to do is:

**OBEY** my instructions...

Do **AS I SAY**, follow **MY** every **WHIM**...

And you will be victorious!

Use your posh PlayStation®Vita system to play plenty of particularly perfect games that I have personally produced.

Tickle the touchscreen, wiggle the left and right sticks, bash the buttons, speak into the microphone, blink with your eyes. . . If I say do something, just do it, okay? You'll need to do some crazy stuff, using your PlayStation®Vita system in **EVERY WAY POSSIBLE**.

But **DO WHAT**, exactly? A-ha, that's an important question.  
You can **WORK IT OUT**, can't you?!

And just as importantly, how **QUICKLY** can you  
do whatever it is I say?

Very quickly, I hope, because **TIME LEFT = POINTS**.  
The faster you can pass my challenges, the more points you'll get.

So get ready to **PLAY NOW**. Play with your pals, play at a party,  
play with Dave the tiger if he's available, and if he's not, just play on your own.  
Get totally brilliant scores and show them off to the world!

That's it. Frobisher says, **END OF LESSON!**  
I've told you too much already!

You've got puddings to deliver and otters to poke.  
Come on, chop-chop.

Follow the on-screen instructions for more details about how to play this game.

The information in this manual was correct at the time of publication, but some minor changes may have been made late in this game's development.
